Meeting Notes

- Opening Prayer
- Review Last Meeting
 - Albanfest is This Saturday. Let your coaches & teams know & hand out Grand Raffle tickets. They still need Lots of volunteers. Eileen emailed everyone last night the sign up genius to do so.
- New Business
 - President's Report
 - AA emails are setup, we are doing a slow rollout
 - Wildwood Days (9/20): AA will share a table with the School Board
 - Vice President's Report
 - Treasurer's Report
 - Bill addressed that approach things that we need with a request form rather than a reimbursement for an order especially for larger/more expensive items. We will use a form that the school uses
 - Secretary's Report
 - Website Administrator's Report
 - Website is ACTIVE...yea!!! Butch showed everyone the new website
 - Equipment Report:
 - Basketball
 - Old Lacrosse Nets: Eileen listed online on Facebook Marketplace for \$25 each
 - Notes:
 - Do we change the volleyball closet to the basketball closet? It was discussed that maybe the best way to move forward with basketball equipment (balls) is that we are going to convert the volleyball closet to the basketball closet at the end of volleyball season. We would then move the actual volleyballs themselves to the soccer/athletic shed so that basketball could use the cages/carts?
 - Need more basketballs
 - Need rolling carts
 - Vicki went up to the garage and removed all of the miscellaneous balls, the school and aftercare will get the majority of them
 - Vicki had the school nurse review first aid kits and will be refilling and replacing them
 - Joe Prater (PE teacher) told Vicki that this past January, pieces of the pole system were missing (i.e. cranks) and other pieces were broken. He stated he was able to piece together a system but it was not easy or correct.

- Vicki is keeping track of the status of how the volleyball equipment is being found in the gym and/or vball closet. Coach Prater will contact Vicki, and then Vicki will update the board as needed how the gym is left after sports practices
- We are missing the drill from the basketball/concession closet as well
- Vicki ordered two new systems through AALCO and Eileen delivered them to the school on August 21
- Uniform Report:
 - Basketball...
 - Please let your coaches know that all volleyball and soccer uniforms are required to be returned at the time of the last game or additional charges will be given to those families.
 - Notes:
 - If anyone registers late for basketball, they have to cover their own uniform? Because there needs to be a set registration deadline for team formation but also uniform ordering because we do have a limited amount of basketball uniforms
 - Eileen stated that we just need to move through the uncomfortable stage and process of cleanup, updating, and standardizing processes of past St. Alban Roe athletics over the years. Much of what we are all facing is no one's fault, it is what it is and we need to move forward with the best sensible option for all involved. With that said, she called to a quick vote on would people rather move to the process of parents purchasing the uniforms and keeping them for all sports in one year or would people rather only do certain sports one year and another set of sports another year. That is probably the best way to be profitable.
- Fall Sports Report: Soccer
 - Blocking off the lower lot during Saturday's games. They should be blocked for safety 8:30-3:30pm.
 - Field prep-assign/teach additional field liner
- Fall Sports Report: Volleyball
 - planning on a training session with coaches to use and setting up and taking down and storing new volleyball nets
 - Brad and Jaime think they have someone to take over the head volleyball official starting next year
- Winter Sports Report: Basketball
 - Registration is LIVE!

- Girls Coordinator and Training League Coordinator positions are still vacant
- Equipment – review what's needed
- Notes:
 - Dan has offered to help put basketball registration on PeachJar
